

## **Clergy Children's Scholarship Guidelines and Eligibility**

### **Who is eligible for the scholarship?**

The Sister Anne Marie Clergy Children's Scholarship is available to biological, adopted, and step children of Episcopal clergy canonically resident in *and* serving a parish or related organization of the Diocese of Virginia.

The scholarships are for tuition and books for post-secondary undergraduate education. Students may make an application each year of their studies but may make no more than five applications. All or part of one application may be used toward the purchase of a computer.

Tuition payment will be made directly to the educational institution.

### **How much aid is available?**

Each year the Executive Board of the Diocese of Virginia will determine an amount of funding for the scholarship pool. Unused money will be returned to the investment pool.

### **How is the scholarship awarded?**

Students fill out and return an application to the diocesan offices by July 1, 2024. The applications will be assembled and distributed to the Scholarship Committee for review. The Executive Board will award the scholarships at its July 18, 2024 meeting and the Treasurer will notify successful applicants.

Eligible students applying on-time will receive the lesser of 1. indicated need or 2. the average grant, defined as the funds available divided by the number of eligible applications.

Where there is more than one student in a clergy family, please have each student fill out a separate form.

Students requesting an amount for books or a computer must fill out a W-9 form, found at this link: <https://www.irs.gov/pub/irs-pdf/fw9.pdf>
