

THE EPISCOPAL DIOCESE OF VIRGINIA

Bishop's Appeal Grants Guidelines for 2026

Background and Eligibility

Bishop's Appeal grants are a competitive grant program of the Diocese of Virginia available to our congregations and funded each year from the generous gifts to the annual Bishop's Appeal.

What can a Bishop's Appeal Grant be used for?

The general purpose of Bishop's Appeal grants is to strengthen, encourage, and uplift ministries of our congregations through program expansion, leadership development, facility improvement/ expansion, or technology enhancement.

Grants can be used to support special projects, develop new programs, or expand existing ones.

Application Process

Congregations wishing to apply must have **all the following reports** submitted to the Diocese in order to be eligible for a grant.

- Record of Audits
 - Record of Parochial Reports
 - Record of Financial Support
- Churches are required to have a record of financial support to the Diocese of Virginia. This is defined as a three-year history of material gifts demonstrating an intentional financial commitment to the Diocese. Churches should have turned in a pledge card and have fulfilled or be working to fulfill their pledge. This determination will be made at the discretion of the Executive Board.
 - Record of audits is defined as a three-year history of submitted audits. Since audits are due August 31 of the current grant year then the three previous years' audits are required. For example, if the grant year is 2026, then audits must be submitted for 2025, 2024, and 2023.
 - Record of parochial reports is defined as a three-year history of submitted reports. Since parochial reports are due in early March of the current grant year, the current year and the two previous years' reports are required. For example, if the grant year is 2026, then the parochial reports must be submitted for 2025, 2024, and 2023.

Grant Process and Timetable

Applicants may apply for only *ONE diocesan grant per year – either a Bishop’s Appeal Grant or Peter James Lee Small Church Revitalization Grant*. Successful grant applicants should expect to receive award checks by the June meeting of the Executive Board and grant activities should be completed, and monies expended within 12 months of grant receipt. Final reports – including narrative and financial information – are required at the end of the grant cycle. Current grantees must wait one year before applying for **any additional diocesan grants**. In other words, if you received a grant in 2025, you cannot apply for another grant until 2027.

The Grant Application Process

Step 1: One-page Letter of Inquiry

Deadline: February 13, 2026
