

Blessing of the Pledge Cards

Gracious God, you are with us in all our days, the heights of joy, the depths of sorrow, and the day in, day out of living this life. We bring in these, our pledges of our gifts to you for the coming year, not out of obligation or in return for anything, but as an act of faith. You have been gracious again, and again, and again. We walk by faith, and not by sight. Repeatedly we strain to look ahead, but we only can look back and see that you have been faithful throughout our lives. So, we are here today, bringing our gifts to you in thanksgiving for what was and in faith for what will be. Take our humble gifts and expand them to your honor and glory. Bless them, use them just as you bless and use us. In Christ Jesus' most holy name, Amen.
