

IN THE DIOCESE OF VIRGINIA
IN TITLE IV MATTER OF ALLEGED VIOLATIONS OF
ADMINISTRATIVE LEAVE BY
THE REVEREND DR. B. CAYCE RAMEY, RESPONDENT

CHURCH ATTORNEY'S REPORT TO THE HEARING PANEL

As directed by the Hearing Panel in its September 8, 2025 Status Requests, the Church Attorney reports as follows.

The September 18, 2025 notice from the President of the Disciplinary Board to the Hearing Panel states that two matters involving the Respondent, in addition to the one already pending before the Hearing Panel, have been submitted. If those matters move forward they may be referred to this Hearing Panel. The Reference Panel has not concluded its deliberations.

Based on the best information available to him, the Church Attorney believes that by approximately December 1, 2025, there will be relevant Reference Panel decisions and concluded processes that would no longer warrant further postponement of a scheduling conference.
