Pertinent skills you bring to this work

I spent ~30 years in finance, working with non-profits and governmental entities - planning and structuring bond issues and private placements of debt. I also practiced law for 5 years with the State Corporation Commission and performed title searches during law school.

For about 10 years I was involved with commercial and residential construction and property management.

Why do you wish to serve?

I am leaving VEIF after almost 6 great years supporting Episcopal ministries in the Diocese. I would like to continue to serve and support Diocesan ministries.

I believe my experience in a variety of areas fits well with the DMS mission.

I know a number of the DMS board members and would be honored to work with them to support DMS and spread the word of its services.
