Our Vision for Children's and Youth Ministries at St. Paul's, Ivy

It is 10:30 a.m. on Sunday morning at St. Paul's, Ivy. A multigenerational congregation fills the pews, with children joyfully chirping through the service. Church feels like home; children and youth feel welcome and excited to be at St. Paul's, Ivy. They are ready to learn about God and eager to share what they hear in church with their family around the dinner table.

We envision that our Director of Children's and Youth Ministries will coordinate opportunities on Sundays for children and youth to learn about Jesus and to grow in the Christian faith. Elementary-aged children will engage in hands-on learning and play during our formation hour from 9:30-10:15 a.m. Then, before the 10:30 a.m. Eucharist, the Director will warmly welcome families as they walk into the church. During the service, young children will fill the seats in our Children's Chapel as the Director leads the week's lesson in an atmosphere of joy and curiosity. In the evening, they will oversee a boisterous group of middle and high schoolers who are gathered for fellowship, Christian formation, and fun.

We envision having a Director of Children's and Youth Ministry who is excited about our special programming, such as the Christmas Pageant, Vacation Bible Camp, and the backpack blessings. This individual will manage the nursery staff, youth/adult volunteers, and the administrators of St. Paul's relatively new, vibrant preschool. We are also looking for a Director of Children's and Youth Ministries who will generate new opportunities for intergenerational fellowship during the week.

We already have strong children's and youth ministries at St. Paul's, Ivy. Many families have chosen this community because of its loving and impactful ministries for young people. Nevertheless, we are looking for a Director who will highlight the growing edges in our children's and youth ministries and will creatively develop them further. Our next Director will be an enthusiastic team player, working collaboratively with the clergy, church staff, and volunteers.
