Our Parishes: The Northern Piedmont Region comprises the thirteen Episcopal Churches in the exurban and suburban area to the west of the DC Metro area including Loudoun County, northern Fauquier County, and western Prince William County.

Congregational Vitality: Regional weekly attendance continues to increas, aided in large part by stability of clergy leadership after several years of clergy transition in a few of our parishes. A more specific example of regional vitality is that after years of inactivity, the Church of Our Redeemer Aldie is now being refurbished to provide a home base for St. Gabriel's Leesburg which will continue Spanish language Sunday afternoon worship at St James Leesburg and biweekly worship at Ashby Ponds in Ashburn.

Region Council Meetings: Following the 2025 Annual Convention, the region council met virtually in November 2025 to share our enthusiasm for diocesan vibrancy. This year we will reinstate the time-honored tradition of a regional gathering at convention, sponsored by Leeds Church Markham.

In 2026 we observed our regular meeting schedule of 2nd Tuesdays in January, March, May, and September on zoom. Guests have included the Rev. Julio Hernandez on behalf of the Congregation Action Network's initiatives supporting legal immigration and the Rev. Dr. Tammy Lewis on "I will with God's help" racial justice ministry.

Our next regular meeting will be on Tuesday November 10th to plan for 2027 and to reflect on this year's Annual Convention.

Budget, Outreach & Mission: The Region Council Treasury is slowly rebuilding after a busy year of grant-making in 2025. One of our regional programs is Educando con Amor (Educating with Love) which has gained significant community and engages several of our parishes and other churches and non-profits. https://www.saintgabriels.net/education

Respectfully submitted, Bruce LeLacheur, Council President
