Pertinent skills you bring to this work

Experienced Attorney (23 years), former Civil Engineer (12 years) and personal retail investor since 1999 managing a diversified portfolio.

Why do you wish to serve?

I would like to increase my knowledge of investing and be part of an institutional investing group with a large portfolio. I enjoy finance and investing and would like to work with people involved in the investing area and I think TOTF would be a good match for me to learn and to further serve my Church and the Diocese.
